MEETINGS OF THE ASSOCIATION

Section 3.1. Purpose of Meetings. At least annually, and at such other times as may be necessary or appropriate, a meeting of the Members may be held for the Association's benefit for the purpose or purposes for which the meeting is called and for such other purposes as may be required by the Declaration, these By-Laws, the Articles of Incorporation, the HOA Act, or the Nonprofit Act.

Section 3.2. Annual Meeting. The annual meeting for the Members of the Association shall be held in the month of April or May each calendar year, with the specific date, time and place to be determined by the Board of Directors. At each annual meeting, the Members shall elect the Board of Directors of the Association in accordance with the provisions of these By-Laws and transact such other business as may properly come before the meeting, including reviewing with the Members of the Association the annual budget that has been adopted by the Board.

Section 3.3. Special Meetings. A special meeting of the Members of the Association may be called by the President, by resolution of the Board of Directors or upon a written petition of the Owners of not less than twenty percent (20%) of the total number of Lots. The resolution or petition shall be presented to the President or Secretary of the Association and shall state the purpose for which the meeting is to be called. No business shall be transacted at a special meeting except as stated in the petition or resolution.

If the Board of Directors fails to send out a notice of the date, time, and place for a special meeting within thirty (30) days after the date the Board receives a valid written demand for the special meeting under this Section, a Member of the Association who signed the written demand may:

- (1) set the date, time, and place for the special meeting; and
- (2) send out the notice for the special meeting to the other Members.

Section 3.4. Notice and Place of Meetings. All meetings of the Members of the Association shall be held within the Neighborhood or at any suitable place in Marion County, Indiana, as may be designated by the Board of Directors. Written notice stating the date, time, and place of any meeting, and in the case of a special meeting the purpose or purposes for which the meeting is called, shall be delivered or mailed by the Secretary of the Association to each Member entitled to vote thereat not less than fourteen (14) days prior to the date of such meeting. Any written notice delivered to the Members as part of a newsletter or other publication regularly sent to the Members constitutes a written notice. If at any meeting an amendment to the Declaration, the Articles of Incorporation, or these By-Laws is to be considered, the notice of such meeting shall describe the nature of such proposed amendment. All

notices shall be mailed by first-class U.S. Mail, postage prepaid, or delivered to the Members at their respective addresses as the same shall appear upon the records of the Association. If an annual or special meeting of Members is adjourned to a different date, time or place, written notice is not required to be given of the new date, time or place so long as the new date, time and place is announced at the meeting pursuant to the Nonprofit Act before adjournment.

In lieu of written notices from the Association sent pursuant to the above paragraph, an Owner may elect to receive notices from the Association by email. Any Owner choosing email shall be deemed to have waived the right to receive notices from the Association by U.S. Mail or personal delivery. However, any such Owner shall have the right at any time to withdraw his or her election to receive notice by email and shall thereafter be sent notices by the Association pursuant to the above paragraph.

Section 3.5. Quorum. Except where otherwise expressly provided in the Declaration, the HOA Act, or the Nonprofit Act, the presence of Owners or their duly authorized representatives owning at least twenty percent (20%) of the total number of Lots shall constitute a **Quorum** at all meetings. The Owners at a meeting at which a quorum is initially present may continue to do business until adjournment, notwithstanding the withdrawal of enough Owners to leave less than a Quorum. If a quorum is not present, the meeting may be adjourned to a date not more than sixty (60) days later without notice other than announcement at the meeting even though less than a Quorum is present. As used elsewhere in these By-Laws, the term “**Majority of Owners**” shall mean, unless otherwise expressly indicated, more than fifty percent (50%) of the total number of Lots, and the term “**Majority of the Vote**” shall mean a majority of the votes of the Developer and Owners present or represented at a meeting at which a Quorum is present.

Section 3. 6. Voting.

(a) Number of Votes. Until such time that the Developer has sold the final Lot, the Developer shall have a majority of all votes cast on a particular matter. Once the Developer forfeits its voting shares in accordance with Section 2.2, each Member shall be entitled to cast one (1) vote for each Lot of which such Member is the Owner. In voting for Directors, each Owner (or his or her representative) shall be entitled to cast one (1) vote for each directorship being filled at that meeting, and the candidate(s) receiving the highest number of votes shall fill the available directorship(s); provided that no Owner shall be allowed to accumulate his or her votes. To the extent provided in the Nonprofit Act, and except as otherwise provided in the Declaration, the Articles of Incorporation or these By-Laws, plurality voting shall be permitted such that at a meeting, if a quorum exists, action on a matter is approved if the votes cast in favor of the action exceed the votes opposing the action.

(b) Multiple Owners. When more than one (1) person or entity constitutes the Owner of a particular Lot, all such persons or entities shall be Members of the Association, but all of such persons or entities shall have only one (1) vote for such Lot, which vote shall be exercised as they among themselves determine, but in no event shall more than one (1) vote be cast with respect to any such Lot.

(c) Voting by Corporation, Trust or Other Legal Entities. Where a corporation or trust is an Owner or is otherwise entitled to vote, the trustees may cast the vote on behalf of the trust,

and the agent or other representative of the corporation duly empowered by the board of directors of such corporation shall cast the vote to which the corporation is entitled. The secretary of such corporation or a trustee of such trust so entitled to vote shall deliver or cause to be delivered prior to the commencement of the meeting a certificate signed by such person to the Secretary of the Association stating who is authorized to vote on behalf of said corporation or trust. Similar procedures shall be in effect for any other form of legal entity that is not a natural person, such as a limited liability company, limited liability partnership, etc.

(d) Proxy. An Owner may vote either in person or by his or her duly authorized and designated attorney-in-fact. Where voting is by proxy, the Owner shall duly designate his or her attorney-in-fact in writing, delivered to the Secretary of the Association prior to the commencement of the meeting. Delivery of a proxy can be by hand delivery, first-class mail, fax or email. No such proxy shall remain valid for longer than one hundred eighty (180) days from the date it is signed. To be valid, a proxy must contain:

1. The name and address of the Owner who is giving the proxy;
2. The name of the person being appointed as proxy;
3. The date on which the proxy is given;
4. The date of the meeting for which the proxy is given;
5. The signature of the Owner who is giving the proxy; and
6. An affirmation under the penalties of perjury that the individual signing the proxy has the authority to grant the proxy to the individual named in the proxy to exercise it on the Owner's behalf.

A proxy may be revoked in writing by the Owner prior to it being exercised or by the Owner's personal attendance at the meeting where the vote is to be taken. A proxy that meets all the requirements of subparagraphs 1, 3, 4, 5, and 6, but not the requirement of subparagraph 2, shall not be counted for purposes of voting but shall be counted for the purpose of establishing a quorum.

(e) Suspension of Voting Rights. To be considered in "**Good Standing**", an Owner cannot be more than sixty (60) days delinquent in any payment due to the Association. If an Owner is not in Good Standing, he or she shall not be eligible to vote, either in person or by proxy, or to be elected to, or to serve on, the Board of Directors. In addition, any Owner who is not in Good Standing cannot serve as a proxy for another Owner.

(f) Manner of Voting and Meeting Participation. Voting and meeting participation may be held or performed in any manner set forth in the Declaration or these By-Laws as well as any manner that is not prohibited by the Nonprofit Act or the HOA Act or deemed acceptable by the Courts as a practical way to collect votes and allow Owners to participate in Association actions. Membership meetings may be conducted by any means through which all participating members

can simultaneously hear each other during the meeting, including, but not limited to, videoconference (i.e., Zoom, Go-to-Meeting). An Owner participating in a meeting by this means is considered to be present in person at the meeting. In the event that the Board elects to hold a membership meeting remotely, the Board shall have discretion to provide for such procedures and to set the terms of use, including, but not limited to, establishing guidelines and procedures governing voting and submission of ballots.

Furthermore, the Board of Directors shall have the power to authorize voting by the Owners through a secure, internet-based online voting system (“electronic voting”). The Board of Directors can adopt rules and regulations concerning the use of acceptable, verifiable means of technology, including electronic means for Owner notice, voting, signatures, consents and approvals. A verifiable electronic signature satisfies any requirements for signatures on documents. If an Owner either does not have the capability or desire to conduct business electronically, the Association shall make reasonable accommodation, at its expense, for the person to conduct business without the use of electronic or other similar means.

Section 3.6. Conduct of Annual Meeting. The Chair of the annual meeting shall be the President of the Association. Business will be conducted in the following order:

(a) Call to Order & Establishment of a Quorum.

(b) Approval of Prior Minutes.

(c) Reports of Officers.

(d) Reports of Committees.

(e) Treasurer’s Report. The Treasurer shall report to the Members concerning the financial condition of the Association and answer relevant questions of the Members concerning the Common Expenses and financial report for the prior year and the proposed budget for the current fiscal year.

(f) Budget. The adopted budget for the current calendar year approved by the Board of Directors shall be presented to the Members for informational purposes only.

(g) Election of Board of Directors. The Board shall annually establish an Election Committee, which shall be responsible for the conduct of the election of the Board of Directors as set forth herein. Nominations for the Board of Directors may be made by a Member from those persons eligible to serve. Such nominations must be in writing and presented to the Secretary of the Association at least ten (10) days prior to the annual meeting. With the exception of current Board members seeking re-election, all candidates for election to the Board shall file a nomination form for candidacy, as approved by the Board, signed by not less than five (5) Members, at least three (3) weeks prior to the annual meeting. If an insufficient number of written nominations are received prior to the date of the Annual Meeting to fill all Board positions open for election at the meeting, then oral nominations will be accepted from the floor prior to voting on Director positions. Otherwise, if a sufficient number of written nominations are received

prior to the date of the Annual Meeting to fill all open Board positions, then the Chair has the sole discretion to either (1) stand on the submitted written nominations, or (2) accept additional oral nominations from the floor prior to voting on any open Director position. Voting for the Board of Directors will be by secret, paper ballot. However, written balloting may be waived by a Majority of the Vote (as defined in Section 3.5(e) above) and voting may be conducted by a voice vote or show of hands in circumstances where the number of nominees does not exceed the number of Board positions (i.e., two nominations for two open positions). The ballot shall contain the name of each person nominated to serve as a Board member. Those persons receiving the highest number of votes shall be elected. If there is a tie for any Director position, the nominees involved in the tie may agree to the end result without the need for a “tiebreaker.” If the nominees cannot resolve the tie by agreement, then the presiding Chair will have the sole discretion to resolve the tie by either (1) conducting a run-off ballot vote by the Owners, (2) drawing from a hat, or (3) flipping a coin.

(h) Other Business. Other business may be brought before the meeting only upon a written request submitted to the Secretary of the Association at least ten (10) days prior to the date of the meeting; provided, however, that such written request may be waived at the meeting if agreed by a Majority of the Vote as defined in Section 3.5(e) above.

(i) Adjournment. Upon completion of all business before the Association, the President, upon the motion of any Member, may adjourn the meeting. Upon proper Motion and approval of a Majority of the Vote, all annual and special meetings may be adjourned to a later date pursuant to the Nonprofit Act.

Section 3.7. Conduct of Special Meeting. The President of the Association shall act as Chair of any special meetings of the Association. The Chair shall call the meeting to order at the duly designated time and the only business to be considered at such meeting shall be in consideration of the matters for which such meeting was called, as set forth in the notice of such special meeting.

Section 3.8. Action by Written Ballots. In lieu of any annual or special meeting of the Owners, written, “mail-in” ballots may be utilized in the manner prescribed in the Nonprofit Act or the HOA Act. To be valid, the Association must deliver a written ballot to every Owner entitled to vote on the matter. The written ballot must set forth each proposed action and provide an opportunity for the Owner to vote for or against each proposed action. Approval by written ballot is only valid if the number of votes cast by ballot equals or exceeds the quorum required to be present at a meeting authoring such action, and the number of approvals equals or exceeds the number of votes required to approve the matter at a meeting. A request for votes by written ballot must indicate the number of responses needed to meet the quorum requirements, state the percentage of approvals necessary to approve each matter, other than the election of directors, and specify the time by which a ballot must be received by the Association to be counted.

Section 3.9. Means of Communication. To avoid the costs of paper, postage and handling that would otherwise be incurred when distributing documents or information to Owners by regular mail, and also to be more efficient in transmitting information that Owners can receive even when out of town, the Association will, to the extent possible, make Association matters available online through the Association’s website (if any) and/or via email or similar means, including but not limited to:

- (A) Notices of Annual or Special Meetings
- (B) Proxies and Ballots
- (C) Annual Budgets
- (D) Nominees for the Board of Directors for an upcoming election
- (E) List of current members of the Board of Directors
- (F) Recorded copy of the Declaration and all amendments thereto
- (G) These By-Laws and the Articles of Incorporation and all amendments thereto
- (H) Architectural or Design Guidelines, if any
- (I) Architectural Control Request for Change form
- (J) Rules and Regulations adopted by the Board of Directors
- (K) Name of, and contact information for, the Association's property management company, if any
- (L) Invoices, statements or coupon booklets for payment of Assessments
- (M) Voting through a secure website or equivalent
- (N) Payment of Assessments through a secure website or equivalent

For items listed above that the Association could email, the Owner must waive the right to receive the same by regular mail and agree to receive the same by email in the manner described in Section 3.4 above.

Section 3.10. Failure to Reach Quorum. As is set forth in the HOA Act and Nonprofit Act, the failure to achieve a quorum at a meeting does not exempt any Owner from, or create an affirmative defense for, any Owner with respect to: (1) the Owner's obligations under the Declaration, the Articles of Incorporation or these By-Laws, or (2) the Owner's obligations to otherwise abide by the provisions of the Declaration, the Articles of Incorporation and these By-Laws, including but not limited to the payment of assessments. If a valid election cannot be held due to a failure to reach quorum at the annual meeting, the Directors then in office shall continue to serve as Directors until such time as (1) they resign from office, or (2) their replacements are duly elected and qualified. Alternatively, if a quorum is not present at an annual meeting, or if a sufficient number of candidates cannot be found to fill all open Board vacancies at the annual meeting, then the remaining members of the Board of Directors may fill any directorship positions open for election at the annual meeting in the same fashion as they would fill a vacancy under the terms of these By-Laws.

ARTICLE 4

BOARD OF DIRECTORS

Section 4.1. Board of Directors. The affairs of the Association shall be governed and managed by the Board of Directors (herein sometimes collectively called "Board" and individually called "Directors"). The Initial Member shall, by resolution, appoint the Board of Directors which shall be represented initially by two (2) principals representing the Developer. As homesite lots are sold to new Owners, the Board of Directors shall be expanded until it is comprised of five (5) persons who each own at least one (1) Lot in the Neighborhood. A Director must also maintain his or her primary residence within the Neighborhood. Until the last homesite lot is sold, the Developer shall maintain a majority of the votes of the Board of Directors. When the last lot is sold, the Developer will forfeit its voting shares

and the Owners shall manage the Association in accordance with these Bylaws. The number of Directors comprising the Board may be increased by resolution adopted by not less than a majority of the Board of Directors but said number shall not exceed seven (7). In no event shall the number of Directors be less than five (5) nor more than seven (7) and no reduction in the number of Directors shall have the effect of removing a Director from office prior to the expiration of his or her term. In the event the number of Directors is increased as provided herein, the election of the additional Director or Directors shall be by a vote of the Members according to a procedure established by the Board by resolution.

Section 4.2. Additional Qualifications. Where an Owner consists of more than one person or is a partnership, corporation, trust or other legal entity, then one of the persons constituting the multiple Owner, or a partner or an officer or trustee shall be eligible to serve on the Board of Directors, except that no single Lot may be represented on the Board of Directors by more than one person at a time.

In addition, and in a display of honesty and integrity to the members of the community, all persons elected to serve as Director must execute, or sign, the Statement of Conduct adopted by the Board of Directors and attached to these By-Laws and marked as "Addendum 1", to govern the conduct and activities of Board members; and any person elected to serve on the Board of Directors who refuses to sign the Statement of Conduct shall not be eligible to serve as Director.

Section 4.3. Term of Office and Vacancy. Members of the Board of Directors shall be elected at each annual meeting of the Association. Any vacancy occurring in the Board caused by a death, resignation, or otherwise, other than a vacancy created by removal or an increase in the number of Directors, shall be filled until the next annual meeting of the Members through a vote of a majority of the remaining Directors. At the first annual meeting of the Members following any such vacancy, the Owners shall elect a Director to serve for the balance of the term of the Director in respect to whom there has been a vacancy. Despite the expiration of a Director's term, the Director continues to serve until a successor is appointed or elected and qualified. A Director may serve any number of consecutive terms.

Section 4.4. Removal of Directors. One or more Directors may be removed by the Owners with or without cause if the number of votes cast to remove would be enough to elect the Director(s) at a meeting to elect Directors. One or more Directors may be removed by the Owners only at a meeting called for the purpose of removing the Director(s). The meeting notice must state that the purpose of the meeting is for voting upon the removal of the Director(s). In such case, his or their successor(s) shall be elected at the same meeting from eligible Owners nominated at the meeting to serve for the remainder of the term(s) of the removed Director(s).

For purposes of this provision, an act that constitutes "for cause" includes, but is not limited to: (a) a Director failing to attend three (3) or more consecutive Board meetings or whose cumulative absences during his/her term are determined to be unreasonable and without justification; (b) a Director becoming ineligible to serve on the Board pursuant to any terms set forth in the Declaration, Articles or these By-Laws; (c) any acts of fraud, theft, deception, or criminal behavior; (d) a breach or disclosure of confidential Board information or discussions to a person not on the Board; (e) a failure to conform or follow the Director's Statement of Conduct; (f) or any other actions not authorized by the Board which hinder or bypass the authority of the Board to act as a whole. Determination of whether "for

cause" has been sufficiently established to justify removal of a Director is left to the sole discretion of the remaining Directors.

Section 4.5. Duties of the Board of Directors. The Board of Directors shall perform or cause to be performed, when and to the extent deemed necessary or appropriate in the Board's business judgment, the following:

- (a) Protection, repair and replacement of the Community Areas, unless the same are otherwise the responsibility or duty of the Owners; provided, however, that this duty shall not include or be deemed or interpreted as a requirement that the Association, the Board or any Managing Agent must provide any on-site or roving guards, security service or security system for protection or surveillance, and the same need not be furnished;
- (b) Procuring of utilities, removal of garbage and waste if not provided by the municipality, and snow removal from the Community Areas;
- (c) Landscaping, painting, decorating, and furnishing of the Community Areas;
- (d) Assessment and collection from the Owners of the Owners' pro-rata share of the Common Expenses;
- (e) Preparation of the proposed annual budget, a copy of which will be mailed or delivered to each Owner at the same time the notice of annual meeting is mailed or delivered;
- (f) Preparing and delivering annually to the Owners a full accounting of all receipts and expenses incurred during each year, which shall be available at no cost to any Owner upon request;
- (g) Keeping a current, accurate, and detailed record of receipts and expenditures affecting the Community Areas, specifying and itemizing the Common Expenses; all records and vouchers shall be available for examination by an Owner according to the terms of Section 7.1 below;
- (h) Procuring and maintaining in force all insurance coverage required by the Declaration;
- (i) Performing such other duties as may be reasonably inferred from the provisions of the Declaration.

Section 4.6. Powers of the Board of Directors. The Board of Directors shall have such powers as are reasonably necessary or appropriate to accomplish the performance of its duties. These powers include, but are not limited to, the power:

- (1) To employ a reputable and recognized professional managing agent or real estate management company (either being hereinafter referred to as "Managing Agent") to assist the Board in performing its duties;
- (2) To enter into contracts on behalf of the Association, subject to the limitations and requirements contained within the HOA Act, to purchase for the benefit of the Owners such

equipment, materials, labor, and services as may be necessary in the judgment of the Board of Directors;

(3) To procure for the benefit of the Owners fire and extended coverage insurance covering the buildings and improvements on the Community Areas to the full insurable value thereof, to procure public liability and property damage insurance and worker's compensation insurance, if necessary, and to procure all such other insurance as is required or permitted under the Declaration, for the benefit of the Owners and the Association;

(4) To employ legal counsel, architects, engineers, contractors, accountants, and others as in the judgment of the Board of Directors may be necessary or desirable in connection with the business and affairs of the Association;

(5) To employ, designate, discharge and remove such personnel as in the judgment of the Board of Directors may be necessary for the maintenance, upkeep, repair and replacement of the Community Areas;

(6) To include the costs of all of the above and foregoing as Common Expenses of the Association and to pay all of such costs therefrom;

(7) To open and maintain a bank account or accounts in the name of the Association and to designate the signatories thereto;

(8) To adopt, revise, amend, and alter from time-to-time reasonable rules and regulations with respect to use, occupancy, operation, and enjoyment of the subdivision, including the Lots and the Community Areas, provided that the Board shall give advance written notice to the Owners of such rules and any revision, amendment, or alteration thereof. All such rules and regulations shall be binding and enforceable upon each and every Lot and Owner, including all occupants, guests and invitees of any Lot or Owner, in the subdivision. Enforcement of such rules, regulations, policies and guidelines shall be subject to the remedies set forth in the Declaration.

Section 4.7. Compensation. No Director or Officer shall receive any compensation for his or her services as such except to such extent as may be expressly authorized by a Majority of Owners as defined in Section 3.5(e) hereof. The Managing Agent shall be entitled to reasonable compensation for its services, the cost of which shall be a Common Expense.

Section 4.8. Meetings and Notice. Regular meetings of the Board of Directors may be held at such time and place as shall be determined from time to time by a majority of Directors. No written or verbal notice need be given to Directors for regularly scheduled Board meetings of which the Directors are already aware. For all other Board meetings, the Secretary shall give notice of such meetings of the Board to each Director personally or by United States mail at least five (5) days prior to the date of such meetings. Special meetings of the Board may be called by the President or any two (2) members of the Board. The person or persons calling such meeting shall give written notice thereof to the Secretary, who shall either personally or by mail and at least three (3) days prior to the date of such special meeting, give notice to the Board members. The notice of the meeting shall contain a statement of the purpose for which the meeting is called. Such meeting shall be held at such place as shall be designated in the

notice. To the extent provided in the Nonprofit Act, a Director may conduct or participate in a regular or special meeting of the Board of Directors through the use of conference telephone or any means of communication by which all Directors participating may simultaneously hear each other during the meeting. A Director participating in a meeting by this means is considered to be present in person at the meeting.

In lieu of written notices from the Secretary sent pursuant to the above paragraph, a Director may elect to receive notices of Board meetings by email. Any Director choosing email shall be deemed to have waived the right to receive notices from the Association by U.S. Mail or personal delivery. However, any such Director shall have the right at any time to withdraw his or her election to receive notice by email and shall thereafter be sent notices by the Secretary pursuant to the above paragraph.

Section 4.9. Open Board Meetings. As and to the extent required by the HOA Act or any other applicable law, meetings of the Board of Directors shall be open to attendance by the homeowner members of the Association. The Board may meet in private “executive sessions” to discuss owner delinquencies, contract negotiations (i.e., bids), pending and current litigation with legal counsel, and legally confidential employment matters. The Board may adopt rules, regulations and procedures regarding administration of such meetings, including regulation of matters such as Owner participation, time limits for speaking, scheduling, agendas, and other administrative issues consistent with Indiana law, the Declaration and these By-Laws. It is recognized and understood that there may, from time to time, be disagreements with regard to certain issues. Notwithstanding such disagreements, Owners agree to conduct themselves at meetings in an appropriate, reasonable and adult-like fashion, and to abide by all rules and regulations governing administration of meetings as adopted by the Board. In the event that an Owner is repeatedly disruptive despite multiple warnings, makes threats of physical harm, commits an illegal or violent act, or otherwise acts in a threatening, violent, hostile, or unduly aggressive fashion, said Owner may be immediately removed from the meeting. In the event that the same Owner repeatedly acts in a hostile, threatening or violent manner at meetings, or is removed from two (2) consecutive meetings, said Owner may have his or her rights to attend Board and membership meetings temporarily suspended at the discretion of the Board. The duration of such suspension shall be determined by the Board, factoring in the egregiousness of the Owner’s conduct and the potential threat to the health, safety and welfare of other Owners.

Section 4.10. Waiver of Notice. Before or after any meeting of the Board, any Director may, in writing, waive notice of such meeting and such waiver shall be deemed equivalent to the giving of such notice. The presence of any Director at a meeting shall, as to such Director, constitute a waiver of notice of the time, place, and purpose thereof. If all Directors are present at any meeting of the Board, no notice shall be required and any business may be transacted at such meeting.

Section 4.11. Quorum. At all meetings of the Board, unless the Nonprofit Act, the HOA Act, or these By-Laws provide otherwise, a majority of the Directors shall constitute a quorum for the transaction of business and the votes of the majority of the Directors present at a meeting at which a quorum is present shall be the decision of the Board.

Section 4.12. Bond. The Board of Directors may require the Managing Agent, Treasurer and such other officers as the Board deems necessary to provide surety bonds, indemnifying the Association against larceny, theft, embezzlement, forgery, misappropriation, wrongful abstraction, willful

The expense of any such bond shall be a Common Expense.

Section 4.13. Informal Action by Directors. To the extent not inconsistent with the laws of the State of Indiana, every person (and the heirs and personal representatives of such person) who is or was a director or officer of the Association shall be indemnified by the Association to the same and fullest extent that directors of nonprofit corporations are indemnified under the Nonprofit Act.

ARTICLE 8

RECORDS OF THE ASSOCIATION

Section 8.1. In General. Current copies of the Declaration, the Articles, the By-Laws, rules and regulations, financial documents and other corporate documents concerning the Neighborhood or the Association and its operation required to be kept and made available for inspection shall be available for inspection by any member or other properly designated party at the principal office of the Association during reasonable business hours or under other reasonable circumstances, where copies of the same may be purchased at reasonable cost. The Association shall keep detailed books of account showing all expenditures and receipt of administration which shall specify the maintenance and repair expenses of the Community Areas, all easements, and any other expenses incurred by or on behalf of the Association and the members.

The accounts, books, records, financial statements, and other papers of the Association shall be open for inspection by any member upon written request submitted to the Board at least five (5) days in advance of the proposed inspection date, and said inspection is to be made during reasonable business hours or under other reasonable circumstances. However, pursuant to the HOA Act, the Association is not required to make available for inspection to a member any records that were created more than two (2) years before the request (or for such different timeframe set forth in the HOA Act as it may be amended in the future). Any holder, insurer, or guarantor of a first mortgage on a Lot shall be entitled upon written request to receive a financial statement for the immediately preceding fiscal year.

The Association reserves the right to require any member desiring to inspect the books, records, financial statements, and other papers of the Association to comply with the requirements set forth under the Nonprofit Act and the HOA Act, and any amendments or re-codification subsequently adopted thereto.

The Association reserves the right to deny any request by a member for inspection of the Association's roster of members, including mailing addresses of members, which the Board of Directors determines: (a) was not made in good faith or for a proper purpose; (b) the member fails to describe with

reasonable particularity the purpose of the inspection; (c) the purpose is not directly related to the operation of the Association; or (d) was made to solicit money or property, or for a commercial purpose, or for marketing or advertising purposes.

ARTICLE 9

MISCELLANEOUS

Section 9.1. Fiscal Year. The fiscal year of the Association shall be the calendar year.

Section 9.2. Personal Interests. No Member of the Association shall have or receive any earnings from the Association; provided, however, that a Member who is an officer, director, employee, or agent of the Association may be reimbursed for expenses incurred on the Association's behalf.

All checks and orders for the payment of money shall be signed by the Treasurer, unless otherwise directed by the Board of Directors.

Section 9.4. Committees. In addition to the Election Committee, the Board of Directors may appoint various other committees to carry out the purposes of the Association. Members of such committees may, but need not, be members of the Board of Directors. Committee members may be removed at any time and for any reason. The Board will determine the terms of the Committee members. In the absence of any specifically set term, a Committee member's term will be indefinite.

ARTICLE 10

GRIEVANCE RESOLUTION PROCEDURES

Section 10.1. Grievance Resolution Procedures. Effective July 1, 2015, Indiana enacted a statute that requires many disputes involving an Indiana homeowners association to be addressed through a grievance resolution procedure before a lawsuit can be filed in court. Currently, that statute is found in the HOA Act at Indiana Code 32-25.5-5. To comply with the spirit and intent of that statute, all Members of the Association, the Board of Directors, the Officers of the Association, and committee members agree to encourage the amicable resolution of disputes involving the Neighborhood and to avoid the emotional and financial costs of litigation if at all possible. They all are deemed to covenant and agree that the statutorily mandated grievance resolution procedures shall apply to any claim covered by the Indiana statute, subject to the claims that the statute lists as being exempt from those required procedures. (For example, one of the exempt claims is a claim by the Association for unpaid Assessments and any action by the Association to collect Assessments.)

ARTICLE 11

AMENDMENT TO BY-LAWS

Section 11.1. Amendment. These By-Laws may be amended, altered, or replaced by a new Code of By-Laws, without the approval of the Members, by an affirmative vote of the majority of the members of the Board of Directors of the Association, except as prohibited by any provision of the Declaration, the Nonprofit Act, or the HOA Act.

ADDENDUM #1
To the Code of By-Laws of
The Ridge On Williams Creek Homeowners Association, Inc.

Board Member Statement of Conduct

Congratulations on your election or appointment to the Board of Directors for the Ridge On Williams Creek Homeowners Association, Inc. The purpose of this letter is to acquaint you with the standard of conduct that is expected of community association Board members in Indiana. The law imposes certain legal obligations on all Board members. Failure to fulfill these obligations could lead to a lawsuit against the Association, the Board, and even you personally. Chief among these obligations is what is called a "fiduciary duty" to the Association and its members. This means that you must perform your duties as a Board member in good faith and with the degree of care that an ordinarily prudent person would use under similar circumstances, being at all times loyal to the Association and its best interests. But in practice it gets a little more complicated than that. While it is impossible to review every possible situation you might face, here are some guidelines to follow. As a Board member, you must:

1. Act in the Association's best interests at all times. Your decisions must be based on what is best for the Association as a whole. Making decisions or taking actions that put the interests of yourself, your family, your friends, or your supporters above those of the Association or its members as a whole is a breach of your fiduciary duty to the Association.

2. Act with care, including seeking advice from experts when appropriate. When making decisions or taking actions, you must exercise the degree of care that an ordinarily prudent person would under the circumstances. Among other things, this means that if, for example, the Board must decide an issue that no one on the Board is an expert on, the Board should consult an expert. This doesn't mean you should feel paralyzed to make a decision, but it does mean that you should exercise care in making certain decisions regarding issues for which the average person would find it helpful or necessary to seek some input or advice from an expert or advisor before making a final decision, such as legal, accounting, construction or particular maintenance (such as fertilization chemicals) issues or matters.

3. Act within the scope of your authority. Your authority is defined in the Association's governing documents and by applicable Indiana and local law. It is important that you become familiar with the provisions of the Declaration, By-Laws and other governing documents of the community; and that you understand the scope of your authority in those documents and not exceed it. If a Board action violates the duly adopted By-Laws, Declaration, or other governing documents, or state or local laws, the Board may have breached its fiduciary duty, and the action may have to be invalidated. Examples of this would be failing to comply with procedural requirements for community meetings and elections or failing to comply with the restrictions or requirements in the Declaration. Therefore, it is very important that Board members always act to make reasonable decisions that are consistent with Indiana and local laws, the Declaration, the By-Laws, and the other governing documents of the community. Likewise, Board members should not act unilaterally or contrary to Board decisions, such as signing contracts, approving architectural requests, or making other promises or agreements with vendors or other Owners without Board approval.

4. Act in good faith. Board members' motives always must be to further the legitimate best interests of the Association. If Board members make decisions based on favoritism, discrimination, or malice - or make arbitrary decisions -they are breaching their fiduciary duty. This does not mean that the Board cannot create a rule that affects some members differently from the way it affects others, such as a clean-up-after-your-pets rule or a parking rule. It just means that the decision to create the rule must be based on Board members' honest judgment of what is best for the Association as a whole. This same guideline applies to enforcement of the covenants as well, meaning a Board member should not seek to enforce the restrictions of the community selectively or in a personal or self-serving fashion.

5. Act professionally. Being a member of the Board requires you to behave and express yourself in a professional and businesslike manner. Remember that you are a representative of the owners, and your behavior is a reflection on everyone you represent. Obviously, inappropriate language and personal attacks against other Board members, owners, managers, guests, vendors or contractors are not consistent with the best interests of the Association. Also, Board members should attend meetings regularly. You were chosen to sit on the Board because of your experience, education and talents, and not attending meetings prevents the Board from using your valuable input to make decisions. Additionally, if a Board member has any perceived, potential or actual conflict of interest regarding any aspect of the business operations of the Association, this information must be disclosed to the Board immediately. An example of this would be a situation where a Board member, or a relative or close friend, is directly involved with any vendor being used by the Association, such as the lawn maintenance company. This conflict-of-interest disclosure is required under the law, and failure to make a proper disclosure could open the Board member up to personal liability surrounding the conflict.

The great thing about serving on a Board is that each member is asked to bring his or her experience, knowledge and talents to the table and use them collectively for the benefit of the entire community. This does not mean every member needs to agree or have the same opinion of how the Association should handle a particular matter, but it does mean that each member should respect other points of view, seek to understand those differences, and ultimately follow the decision of the entire Board, even if that decision is not in agreement with the individual Director's views.

6. Act to preserve confidentiality. Remember, each Board member may be entrusted with information that is private or personal in nature and should not be passed along to others who are not on the Board. (That includes spouses, family members, and others in the Board member's household.) Board members should always maintain the confidentiality of all legal, contractual, personnel, vendor and management matters involving the Association. Board members should also maintain the confidentiality of the personal lives of other Board members, Association members, residents and management staff. Failing to keep confidential information private creates an enormous amount of potential liability for the Association, the members, and each individual Board member. This does not mean that the Board should not discuss any Association matters with the residents, because you obviously need to let the members know what the Board is doing on their behalf. However, a safe approach to take on this issue is to not discuss specifics of confidential matters, but merely update the members in general terms. An example would be to tell members that there is a pending lawsuit involving an issue, and that the Association's legal counsel is providing guidance to the Board as it makes decisions during the litigation process, but not to disclose the terms of specific settlement offers or arguments being made by either side in the issue.

7. Act as a Steward for the Community. Board members have been elected to lead the community through the Association. You have been entrusted to manage and make decisions that will impact the entire neighborhood. As a representative of the people, you should hold yourself up as an example to the other residents of the community by complying and following the provisions of the governing documents for the community. Board members should also not defame, slander, harass, threaten, or otherwise attempt to intimidate or ridicule any other Board member, Association member, resident, or management staff member. Any action by a Board member that fails to fall within this good steward guideline is acting outside the scope of the Board member's authority, and as such, may be opening himself or herself up to potential individual liability or removal from the Board.

8. Avoid the following six common mistakes. You will have to use your best judgment in determining what your fiduciary duty requires of you in any specific situation. But there are common mistakes that you should avoid:

- Don't take personal advantage of business opportunities that should benefit the entire community.
- Don't do business with the Association unless you disclose that fact to the other Board members and get the appropriate approval to do so.
- Don't give preferential treatment to friends and supporters or expect it for yourself from others.
- Don't accept gifts from vendors or others doing business- or seeking to do business -with the Association.
- Don't make decisions on behalf of the Association based solely upon your personal goals or views but make them based upon the desire of the residents and the benefit to the neighborhood as a whole. Dictators seldom have loyal and happy followers.
- Don't reveal confidential information.

The Board has decided to adopt this statement of conduct to serve as a source of guidance for all Board members and to be a reminder to each member of his or her responsibilities as a Board member and a representative of the owners in The Ridge on Williams Creek. Each Board member should always keep in mind that he or she has been entrusted to act as a representative of the community by their neighbors. Therefore, every member of the Board is asked to sign this statement of conduct as your affirmation that you have read, understand and agree to follow these simple rules of conduct and ethical behavior. Your refusal to adopt and follow these simple rules of conduct shall act as a disqualification to serve on the Board of Directors.

You have undertaken an important job in our community, and we appreciate your service!

Thank you.
