General Information about this Legal Notice of the Metropolitan Development Commission (MDC)

Why am I getting this?	You are receiving this formal notice for one of three reasons. You are either a property owner within two (2) properties distance or within 660 feet of the property which is the subject of this petition; or you are a neighborhood representative; or you are a City-County Councilor.
Do I need to do anything or go anywhere?	This notice does <u>not</u> require you to attend the hearing or do anything. This notice simply informs you that a petition has been filed pertaining to property near you and that this is an opportunity to be informed and speak to that petition.
What is the Hearing Examiner?	The Hearing Examiner is appointed by the Metropolitan Development Commission (MDC) to act on their behalf and is authorized by State Statute. The Hearing Examiner makes a recommendation to the MDC. This recommendation may be appealed to the full MDC.
What is the Metropolitan Development Commission?	The Metropolitan Development Commission (MDC) is an official decision-making body authorized by State Statute consisting of nine (9) citizens of Marion County who serve without compensation. The MDC members are appointed by the Mayor, City-County Council and the County Commission. Among its powers, the MDC has the authority to approve or deny rezoning petitions as well as variance, plat and approval petitions that are filed in conjunction with another petition.
What is a Rezoning?	All property in Marion County is designated with a zoning classification. Marion County uses over four (4) dozen different zoning classifications known as Districts. A rezoning, attempts to change that zoning classification. The zoning ordinance identifies uses that are permitted in various zoning districts and the basic standards that development must meet, such as height and setback from property lines.
What do the Zoning Districts mean?	<p>D-S is the Dwelling Suburban District, which permits single-family residential development with a typical density of 0.4 units per acre. The D-S district is intended for suburban areas of extreme topography, areas conducive to estate development, or areas where it is desirable to permit only low density development.</p> <p>D-P is a Planned Unit Development District, which is predominantly residential in nature, and in this case, would only permit residential development. The D-P requires Metropolitan Development Commission approval of all uses, site and development plans.</p> <p>FF is the Floodway Fringe District, which is a secondary zoning district that overlays the primary zoning district. FF indicates a 1% chance for significant flooding as well as shallow flooding in any given year. FF is based upon hydrological data and is delineated on the FEMA maps.</p> <p>FW is the Floodway District, which is a secondary zoning district that overlays the primary zoning district. FW indicates the channel of a river or stream and portions adjoining the channel that are necessary to carry the waters of a base flood. FW is based upon hydrological data and is delineated on the FEMA maps.</p> <p>Consult the zoning code for specific details: http://www.indy.gov/dmd</p>
May I contact the petitioner?	Yes. The petitioner's contact information is on the front side of this notice.
May I contact Department of Metropolitan Development (DMD) Staff?	<p>Yes. While you cannot contact the Commission members directly, you may contact DMD staff. A DMD staff planner is available to discuss questions you may have regarding the hearing process or the basis for the staff recommendation that is written in the Staff Report. The Staff Planner assigned to this case is Kathleen Blackham Senior Planner. She can be reached at 317-327-5165 or by e-mail at Kathleen.Blackham@Indy.Gov.</p> <p>Letters of support or opposition to this request can be sent to the planner or to DMDpubliccomments@indy.gov</p> <p>The Mayor's Neighborhood Advocate is Natalie Van Dongen, who can be reached at 317-408-1991 or by email at Natalie.Vandongen@Indy.Gov. Neighborhood Advocates serve as a bridge between citizens and city government, acting as ombudsmen and providing a communication link between neighborhoods and the City.</p>
What Is a Staff Report?	The planner assigned to the petition prepares a written Staff Report prior to the hearing that includes an objective planning analysis and recommendation. The Staff Report is available to the public and petitioner six (6) days prior to the hearing date listed on the front side of this notice. https://www.indy.gov/activity/dmd-public-hearing-documents .
How do I get a Continuance?	An "automatic" continuance of the petition is allowed by right (except for Supplemental Review petitions), one for the petitioner (those presenting the petition) and one for the remonstrator (those against the petition), if it is the first continuance request made by that party. This request must be in compliance with the Rules of Procedure, which are available online in the City-County Building, 200 East Washington Street, Suite 1842. All automatic continuances are for approximately one-month to a regularly scheduled hearing. The request for an automatic continuance must include the new date of the hearing. The petition will be automatically scheduled for the same body as originally scheduled. The person requesting the continuance shall give notice to everyone required to be served with notice and to attorneys or agents who have entered their appearance or are known by the person requesting the continuance to represent petitioner or remonstrator. However, registered neighborhood organizations are only required to give notice to attorneys, agents, petitioner and remonstrators of record. A request for automatic continuance must be filed in writing with the Administrator no later than seven (7) calendar days prior to the day of the scheduled hearing. The Hearing Examiner or MDC decides all other continuance requests. Continuances do not require a fee.
What about Commitments or Conditions?	If the petition is approved, commitments or conditions may be attached to its approval. After the hearing process has been completed, the commitments or conditions may be obtained by mailing a self-addressed, stamped envelope, with the petition number, to the staff planner.
Can I appeal?	Any decision of the Hearing Examiner may be appealed to the full Metropolitan Development Commission. Appeals must be made within five (5) business days and be in accordance with the MDC's Rules of Procedure. Please contact the Current Planning staff shortly after the hearing to determine the appropriate procedures.
